

## A Newsletter for the Customers of The Delaware County Bank and Trust Company

# The Bank To Unveil New Web Banking Program on December 9!

The Delaware County Bank and Trust Company has continually strived to provide the products and technology our customers desire. The Bank is pleased to announce we are replacing our software for WebDCB, The Bank's internet banking program.

The new WebDCB will provide many enhancements including:

- Ability to reset passwords
- Integrated Electronic Statements
- Improved check and statement images
- Single sign-on for WebDCB and Bill Pay

Business users will also have:

- Enhanced ACH origination
- Introducing Wire Transfer Capabilities
- Expanded Tax Payments
- Greater User Management and Administration

The existing internet banking service will be discontinued at the close of business on December 8, and the new system is scheduled to go live on Tuesday, December 9, 2009. The conversion will also require all ACH or Bill Payment transactions scheduled for December 8 or later to be re-entered into the new system.

To access the new WebDCB, simply go to [www.webdcb.com](http://www.webdcb.com) and click on Account Access. On the Account Access page, click on the WebDCB logo.

Account Access

Existing WebDCB customers will use their existing Login ID. The first time you login to the new WebDCB, you will be asked to create a new password.

### Important WebDCB Information

- The existing internet banking service will be discontinued at the close of business on December 8, and the new system is scheduled to go live on December 9, 2009.
- All Transfer, Bill Payment or ACH transactions scheduled for December 8 or later need to be re-entered into the new system.
- Your new WebDCB Secure Access Code will be sent to you by either phone or e-mail. To ensure a smooth transition, please verify your e-mail address and phone numbers found in the "Other Services" tab of the current WebDCB program prior to November 30.
- A majority of your current bill payment information (payees, addresses, account information) is expected to transfer to the new system. However, to be prudent, we suggest that you print out a copy of your payee information prior to December 8.
- Commercial users should verify users and their "user rights" upon the completion of the conversion.
- Due to the conversion, we will not be activating new WebDCB enrollments between December 1 - December 9, 2009.
